```
graph BT; A[include/hierarchy/Socket_af_dgram.hpp] --> B[include/hierarchy/Socket_af.hpp]; B --> C[include/hierarchy/Socket_base.hpp];
```

The diagram illustrates a three-level include hierarchy. At the bottom is a white box labeled 'include/hierarchy/Socket_af_dgram.hpp'. A blue arrow points upwards from this box to a middle white box labeled 'include/hierarchy/Socket_af.hpp'. Another blue arrow points upwards from the middle box to a top gray box labeled 'include/hierarchy/Socket_base.hpp'.
